

# 5 EASY WAYS TO GET INVOLVED

Contact United Way of the Eastern Panhandle at [info@uwayep.org](mailto:info@uwayep.org) to learn more.

## START A WORKPLACE CAMPAIGN

A workplace campaign is an organized fundraising drive where employees invest in the community through payroll deduction to help address our area's biggest challenges. Whether you are a small business, a major corporation, or a nonprofit, you can LIVE UNITED and support our efforts to make this region a stronger community for us all.

## MAKE A CORPORATE GIFT

Whether it's a donation or a sponsorship, corporate gifts are a way for your company to show its compassion and dedication to our community and the people that live here.

## SPONSOR AN EVENT

As an event sponsor, you will have the opportunity to enhance your company's philanthropic image and visibility in the community and support investments that help solve our community's most pressing needs.

## DONATE AN AUCTION ITEM

Donated auction items will be sold through our online auction platform and at future events. All funds raised will be used to measurably improve people's lives in the Eastern Panhandle. Have an item to donate? Contact United Way at [info@uwayep.org](mailto:info@uwayep.org).
